

At Casa Barbosa we are direct importers and distributors of single origin coffee, exclusively from Colombia. We are proud to have an exquisite coffee portfolio which includes the world's finest selection of specialty varieties and Colombian supreme excelsos.

Colombia has been a producer of exceptional coffee for decades and not surprisingly, is currently the No. 1 exporter of specialty coffees in the world. Colombia's privileged geographical and climatic conditions that allow harvesting fresh coffee all year around, combined with the expertise of its artisan coffee makers and the meticulous quality controls of the national federation of coffee growers, produce some of the greatest coffee in the world.
