

## Beautiful Hair Extensions in Your Home

I'm Emmy and I'm a qualified hair extensionist, specialising in hair extensions. I cover the Leeds area.

I will ensure that your extensions will look natural and healthy, and that you will be overjoyed with your results. Trust me when I say, there is nobody out there that understands the importance of having a luscious mane of hair better than myself. I pride myself on my personal touch.

I use only the most desired quality human hair and expert colour matching, and offer a range of hair extension application methods, tailored to meet your hair needs. I can guarantee that once you have had your hair extensions done by me, you will feel a million dollars.
