

How It Works

1. It's pretty simple. I spend hours searching for cheap flights to destinations all over the world so you don't have to. Enter your email address and I'll send you the hottest deals, discounts and error fares as soon as I find them!
2. When you receive your email alerts, decide if anywhere takes your fancy
3. Follow my instructions on how to grab the deal. Sometimes it will be as simple as going to a website and booking a return flight. With some fares you may have to perform some additional tricks (eg depart from Manchester arrive into Liverpool), or booking each leg separately. Don't worry – I'll talk you through it. And I'll only send you these when it's really worth the additional work!
