Our Services

What's an explainer video?

Remember those online ads you loved watching as a kid? They had an engaging story to capture your attention that kept you glued to the TV. Explainer videos are similar in concept. They're short, animated videos that engage potential customers with your business, products, or services in a way that makes them want to buy.

How can it help my business?

Videos have the potential to reach new customers in a way that text-based content can't. Customer research consistently shows this.

Explainer videos are also incredibly versatile and can become:

- Social Media Ads
- Training & Educational Videos
- Product Demos
- Sales Tools
- Brand Awareness

High-Quality Videos Your Business Can Afford

How it Works?

1. Get an Instant Quote

Choose your video length and animation type (2D or whiteboard) using our convenient pricing table below. Upload your script, and complete your purchase.

No script? No problem! We'll write that copywriting copy for you, which we include in a custom fee. **CONTACT US** if you want help to develop your script.

2. Voiceover and Music

Once your script is ready, we'll record a professional voiceover artist bringing your story to life. You also have the choice to select from a list of trending, free background music for your video.

3. Animation

This is when the real magic happens. A professional animator will take the script, storyboard, story and music to create a visual your potential customers will remember.

4. Delivery

Your video will be fully produced and delivered within 14 days. We will provide you with a download link or we will provide up to two rounds of reviewing your video delivery.
